WITHDRAWAL POLICIES

Withdrawing from the Vine: The administration of The Vine Preparatory Academy makes every effort to design curriculum that is grade appropriate and manageable by the home schooled student. However, there are times when a student is not properly matched with a class. Within the first two weeks of instruction in a semester you will be able to withdraw your child from a class without penalty. ***However if you choose to withdraw your student after this time (end of the 3rd week of September for the 1st semester and February 15th for the 2nd semester) you will be responsible for paying tuition for the entire semester. We require one month's written notice and all fees paid in full.***

ADMISSIONS PROCEDURES

Families interested in enrolling their student(s) in The Vine Preparatory Academy must:

1. Complete the pre-enrollment application that includes answering questions and providing personal references.
2. Participate in a family interview. Admission is based on a one-time interview that is conducted by the board. The purpose of this interview is to make certain that all of your questions about The Vine Preparatory Academy have been answered and to make certain that we are the appropriate program for your family.
3. Submit a completed registration packet to The Vine with \$125.00 (per student K-1st) or \$150.00 (per student 2nd-8th) registration fee. This fee includes the cost of SAT10 testing.
4. Be in agreement with and willing to sign the policy on Parent Responsibilities and Student Code of Conduct.

Upon completion of the above, the board will meet to review the applications. Each family will receive notification indicating the board's decision.

After the interview process has been completed and the notice of acceptance has been given and accepted, the application fee is non-refundable.

Current students who re-enroll by a set deadline, will secure a place in the program for the fall, provided the family's tuition is kept current and will be readmitted based on end of year review. A \$125.00* per student (K-1) and a \$150.00* per student (2-8) re-registration fee is required upon re-enrollment. This is a non-refundable registration fee. *\$25 will be added if paid after June 1.

Any family applying to The Vine Preparatory Academy, who may have previously attended, but are not currently enrolled, will be required to meet the same admissions criteria as new families. The board reserves the right to dismiss or refuse to enroll/re-enroll a student. In the unfortunate event of dismissal, the tuition charges of the dismissed student will be prorated to the last regular class day of the month in which the student was dismissed.

If a family must withdraw a student prior to the end of the academic year a 30-day written notice is required. Tuition will not be refunded and withdrawal policies will be enforced. Please see information about withdrawing from The Vine.

Each student must have a complete and current CUM report on file at The Vine Preparatory Academy. This file includes, but is not limited to: Student birth certificate, transfer of previous school records, health examination by a licensed physician, immunization records, pertinent student and family information and a completed emergency authorization form.

Statement of Faith

Each of the undersigned individually believes the following as evidenced by the signatures on the bottom of this page:

I believe there is one God eternally existing in three persons: the Father, the Son, and the Holy Spirit. Man is sinful and therefore separated from God who is holy and perfect. Jesus Christ paid the penalty for my sin through His death on the cross. Jesus also resurrected bodily and ascended into Heaven and will return one day to establish His kingdom. Only through faith in Jesus Christ and His provision of salvation may we be saved from eternal punishment and enter into God's family, and receive eternal life. The Holy Bible is the inerrant authoritative Word of God and supreme source of truth for the Christian faith and life.

Failure to do so will necessitate a conference with the administrator and/or possible removal from The Vine program
2. Parents are responsible for enforcing the Student Code of Conduct should discipline become an issue.

7. Questions or concerns regarding student performance or work should first be directed to the core teacher. If the parent is not satisfied with the outcome, they may request a meeting with the Administrator. If satisfaction is still not obtained, the parent may request a special meeting with the Board. Any decision of the Board will be final.
